Subject:—Delay in Clearance of Consignments.

No. S.P.C. 41891-990. In enclosing herewith a copy of the G. O. No. S.R. 5012-13—S.P.C./5-52-2, dated 9th December 1952, approving the proposal of the Secretary, Stores Purchase Committee, to empower him to accept transit dues irrespective of amount and time involved, I am directed to state that the Government have directed the Stores Purchase Committee to furnish quarterly statements showing the necessary details of cases of delay of over one month with needful explanations. It is observed that much of delay in clearance is caused by the Departments, sometimes, in not furnishing the Clearing Agents with the requisite information immediate on request. As a result the incurring of transit dues has become an unavoidable factor causing considerable loss to Government. It is therefore requested that all the Indenting Officers will see that no such delays will be caused in transmission of the information required by the Clearing Agents, and to treat always the Clearing correspondence on a "Top Priority" basis.
